## Income Verification Requirements

- Income tax form (Most recent calendar year-must be signed and dated)
- W2
- Last 3 current check stubs
- Social security benefit letter
- Child support
- Retirement
- Alimony
- Dividends

(Proof may be shown in the form of bank or dividend statements, court orders or government award letters.)

**The entire household's income must be shown. Any patient providing false information will be removed from the MAP program and all charges that have been written off will then become the patient's responsibility.**

If the household has no income we will need:

A notarized letter from the person or persons; who is currently supporting you. If you have lived with this person for more than 6 months we must show their income. We will need proof of your living status (mail from previous address dated to prove you have only been living at current address for less than the allotted time frame)

If you have no income and you are receiving food stamps please bring in proof of the amount you receive each month.

**Patient must have a current picture ID (a copy must be attached to the application)**

Note: If patient does not bring in all the required documents the appointment will be rescheduled. **NO EXCEPTIONS!!**
